		40 hours documented service hours		

Notes | MDMH Track Options

① TRACK 1: Five-course concentration in a College of Liberal Arts (COLA) discipline (courses selected by the program director/department chair with input from faculty, approved by the Medical Humanities Advisory Group; two at the 300 level), and five from a list of approved courses (selected by departments) in COLA disciplines other than the concentration discipline. OR TRACK 2: Self-Designed Medical Humanities program (a written rationale must be submitted to the Medical Humanities Advisory Group for approval. Ten courses, of which no more than four may be from a College other than COLA, and at least three of which must be at the 300 level; these courses should add up to a concentration in a field or topic appropriate to the Medical Humanities discipline (for examples, students should refer to such professional resources as the Medical Humanities central website at medhum.med.nyu.edu or the peer-reviewed journal Medical Humanities at mh.bmj.com).

② One course must be crosslisted as MDHM 200 or NTSC 210 Science and the Humanities can be taken in addition to the 30 semester credit hours MDHM track requirement.

Minor

Minors are optional, but recommended. Please see the Benedictine University Undergraduate Catalog and the department for specific requirements. List courses taken toward earning a minor.
