Major Specific Notes | Nuclear Medicine Technology

All majors must complete all major and cognate courses with a grade of "C" or better, of which 34 semester credit hours of NMTC are at the 300 level. Students must complete at least 90 semester credit hours at Benedictine University with a minimum GPA of 2.8 before entering the senior year in the Nuclear Medicine Technology program. The program education and clinical experience is a 13 month 34 hour clinical experience with Northwestern Memorial Hospital. Acceptance into the senior year program is not automatic and requires application.

Students who may wish to attend graduate or professional school should take CHEM 242 and 243; 247 and 248; and BCHM 361 instead of the Introduction to Organic and Biochemistry courses.
