Finance majors who elect to earn a second major in the Undergraduate Business Department must complete unique "specialization courses" for the second business major. Specialization courses may only be used to satisfy the requirements for one business major. If a specialization course is a requirement for a student completing two department majors, then the academic advisor will select an appropriate additional specialization course.

Concentrations are available in combination with this major. Please refer to the second page of the checklist and/or the undergraduate catalog for specific course requirements.

❖ One Writing Intensive course (indicated by a "WI" in the course schedule) must be completed within the major
