2008-2009 Catalog

2009-2010 Catalog

Benedictine University Core Requirements\*\* for Transfer students with 20+ transferable hours:

<u>Core Categories</u>	<u>Hours</u>	<u>Suggestions</u>
Communications	9	Take ENG 101, 102 and COM 100
Common Core/Cultural Heritage Series	6	Must be completed at Benedictine University
Mathematics	3	It is strongly suggested that students going into majors requiring more than core math complete at least one transferable math course prior to transfer.
Humanities*	12	A total of 4 courses is required with at least 1 but no more than 2 courses in Art/Music, and one in Philosophy/Religion/Literature. The remaining two courses are to be chosen from Communications, Art, Music, Foreign Language, History, Literature, Philosophy, Religion, and Humanities.
Science*	9	Courses need to be taken from both Life and Physical Science disciplines
Social Science*	9	Take Psychology or Sociology, Anthropology or Political Science, and Economics or Business

\* It is suggested that IAI General Education courses be selected to fulfill these areas. **Waubonsee Community College IAI General Education courses are listed in bold.** If you are following the IAI complete program for your AA/AS, you need to see your Waubonsee Community College advisor.

\*\* The general education core requirements may vary depending on the major selected. A core category cannot be fulfilled by more than 6 semester hours of the same subject. At least 9 semester hours must be completed outside the student's major program area for each divisional core requirement.
