Paying for Your Education

Paying for School
Worried about paying for college? We are here to help. Below you will find some information about financing your Benedictine education.

Free Application for Federal Student Aid (FAFSA)
Applications can be found online at fafsa.gov. Use Benedictine University’s school code 001767 to release your information to the Office of Financial Aid. For more information, contact the University's Office of Financial Aid at (630) 829-6100 or financialaid@ben.edu.

Tuition Payment Plan
The Tuition Payment Plan from Higher One is the interest-free way to spread tuition payments over a number of months. It is not a loan, so there are no interest payments. There is a nonrefundable application fee to enroll in this simple and convenient plan which allows you to break down your education expenses into easy-to-manage installments rather than one lump-sum payment.

How to Get Started
Just visit tuitionpaymentplan.com/ben, click “Enroll Now” and in a few easy steps your enrollment will be complete. If you have questions regarding which plan to select or the amount to budget, please contact the Office of Student Accounts at (630) 829-6503 or sar@ben.edu.

Fast, Easy Payment Options
The Tuition Payment Plan is all about convenience. That is why we offer you the option to make your payments online* by eCheck or credit card, or by mail with your monthly statement. If you prefer the worry-free simplicity of automatic deductions from your checking or savings account, you can sign up for recurring payments.

*No check processing fees when you pay online on or before the due date.

Manage Your Account Online
Once you have enrolled and created your account login information, you can check the status of your account and make payments anytime. Making payments using the Tuition Payment Plan is simple and convenient. Enroll today!

Higher One Card
Students must request a My One Money Card through Higher One to receive any refunds. You will receive more information about this process at the beginning of the school year.

Employer Tuition Reimbursement Plan
Students can arrange a single tuition payment at the end of the term (plus a grace period) with proper documentation from their employer through Higher One’s Tuition Payment Plan. There is a $30 fee for this service. Documentation of your approval in your employer’s tuition assistance plan must be submitted to the Office of Student Accounts prior to enrolling in this plan. An updated copy of the policy must be submitted every fall term thereafter. Students may fax this documentation to the Office of Student Accounts at (630) 829-6501. If the student’s enrollment changes, the student will be responsible for adjusting the payment plan either online or at (800) 635-0120. If the student makes a payment directly to Benedictine, it is the student’s responsibility to contact the Office of Student Accounts so that we may notify Higher One. Tuition is due in full according to the deferred due date specified by the Tuition Payment Plan regardless of when individual employers reimburse their employees.

Military/Veterans Benefits
The Office of Financial Aid is responsible for certifying school enrollment for the U.S. Department of Veterans Affairs (VA) to authorize your VA educational benefit payments. First, the student must apply for benefits directly with the VA. Once official approval of the student’s eligibility is received, the Office of Financial Aid will initiate payment based on the student’s number of enrolled hours. For more information, visit ben.edu/VA.
