Student Account Login Instructions

1.) Click on the ‘Account Login’ button on the home page
2.) From this page, you can log into your Desire2Learn, Office 365 Email, MyBenU, BenUConnect and Student Password Reset.
3.) You will need to create a new password before you can log into your accounts. Click on ‘Student Password Reset’
4.) Fill in the Student Password Reset Information- your username will be ‘b’ followed by your student ID number (ex.2123456), click ‘Submit’. If you receive a message that your “password has been successfully changed” go back to the Account Login Resources page and log into your accounts. If you receive an ‘Error” message, please call the Help Desk at 630-829-6684
5.) Clicking on Desire2Learn will bring you to this page. Enter your username and password. Click ‘Login’
6.) Clicking on Office 365 Email will bring you to this page. Your username will be ‘b’ followed by your student ID number (ex.2123456) followed by @ben.edu (ex.b2123456@ben.edu). You will enter your newly created password.
7.) When logging into MyBenU from an off campus computer, you will need to log into BenUConnect first.
8.) Fill in your newly created username and password. Click ‘Login’
9.) After you have logged into BenUConnect, you can now log into your MyBenU Account. Click on ‘MyBenU’
10.) Re-enter your username and password. Click ‘Sign In’
11. If you continue to experience issues logging into your accounts, contact the Help Desk at helpdesk@ben.edu or 630-829-6684
