- **Full water bottle** labeled with campers first and last name
- *Nut-free afternoon snack* inside a baggie (see further details next slide)
- **Sunscreen** labeled with the campers first and last name
- **Swimsuit & towel** (Water Activities on Tuesdays)

  - Do **not** bring: small items (playing cards, bouncy balls) or electronic devices (cameras, iPods, video game players)
What is considered a **nut-free** snack?

- A nut-free snack does not contain any type of tree nut or peanut
- A nut-free snack means the snack was made in a nut-free facility
- Your child will **not** be allowed to open/eat their snack if the snack contains nuts, may contain nuts, or is made in a factory that also produces nut products.
- We will strictly enforce this policy, as we have campers with **severe** nut allergies who can have a reaction even to inhaling airborne particles from nut products.
- **Check the label of the snack carefully** before bringing it to camp!

**In some products, the cross contact warning is no where near the ingredients list!**

Camper Expectations

1. HAVE FUN!
   • Play with everyone
   • Try new activities

2. Take care of yourself
   • Listening to your body when you need to use the restroom/take a break from an activity
   • Try to solve your own problems. If someone is bothering you – Tell them to stop! Or go away from them!

3. Take care of others
   • Use kind words
   • If someone falls, help them up
   • If you see someone being picked on – Tell them to stop!

4. Take care of our camp
   • Treat all camp materials with respect so that they will last all summer
   • Put away materials after you are done so they don’t get lost
   • Clean up activities/messes even if you didn’t make them

Camper Disciplinary Actions

- **Step One:** Child is given a verbal warning and instructed to correct his/her behavior.

- **Step Two:** Child is given a five minute “time-out” by removing them from their current activity and having them sit calmly and quietly until retrieved by their counselor. Camper is involved in the discipline. What would an appropriate consequence be? How do we fix this? How do we prevent this from happening again?

- **Step Three:** Counselors will fill out an incident report and contact the Assistant Director or Director immediately. The child will be required to talk to the director/assistant about the situation and the parents/guardian will be called or told at pick-up. Parents are expected to discuss the inappropriate behavior with their child and to work with the Day Camp staff to stop the misbehaviors. Parents will also sign the incident report. A total of 3 (three) behavioral incident reports is grounds for dismissal from camp for the remainder of the summer. As a reminder to parents, no refunds are given if a child is dismissed from camp for behavioral misconduct.
