Dear Friends of the Center for Lifelong Learning:

As we begin our second year, Benedictine University’s Center for Lifelong Learning is more popular than ever. With growth comes variety—more courses, more activities and more people to meet. The center has more than 500 learners, and this summer you can choose from more than 40 courses. Art, history, music, literature, politics, famous people, ecology and photography are just a few of our summer semester classes. We offer something for everyone.

We invite you to share our summer classes with your family, friends and neighbors. Thank you for your continued support of the Center for Lifelong Learning.

Best wishes,

Ron Finnigan
Director
Who are we?
In 2011, Benedictine University launched the Center for Lifelong Learning (CLL) at the Moser College of Adult and Professional Studies. The CLL develops and maintains a wide range of high quality educational programs and experiences for the mature adult, fostering intellectual exploration and a sense of community. Our classes are noncredit. There are no grades, no papers and no admission requirements beyond personal interest.

Our vision:
To create a community of engaged lifelong learners.

Our mission:
To provide an opportunity for the mature community to expand and share their experiences and talents with others while developing new knowledge and building rewarding relationships.

Our values:
Continued knowledge and shared life experiences are the keys to personal growth and community well-being.

Who are our teachers?
Our instructors are experts in their fields and include distinguished university faculty, both active and retired; community educators and leaders; and local enthusiasts with expertise and passion for a subject.

How are classes selected?
Class proposals are collected and reviewed by the director and members of the Curriculum Committee. Students are encouraged to recommend classes to the Center.

What does it cost?
Class registration fees vary depending on the number of sessions and length of time. Some programs are free and some classes may carry an additional fee for materials or costs. Fees are clearly identified in the class outlines.

All class registrations must include full payment at the time of registration. No one is allowed in any class without being registered for the class. There are no exceptions.

How to Register
Online: We offer an online registration system that is fast and easy to use. Once registration opens, you will be able to register for courses 24 hours a day using a credit card (Visa, MasterCard or Discover). You will receive immediate confirmation of your class registrations. Visit www.ben.edu/CLL to register online.

**Enrollment Policy**
Classes are filled on a first-come, first-served basis. All classes have a maximum class size. Many classes fill quickly. A few are cancelled due to low enrollment, often because students wait until the last minute to register. Register early to avoid disappointment. Payment is due at registration.

**Waitlists**
If a class or program is full, the CLL will put your name on a waitlist. CLL will fill from the wait list when space becomes available.

**Make-up Classes**
If a class session has been cancelled by the instructor, students will be contacted with the date and time of a make-up session.

**Withdrawal and Cancellation**
In the event the CLL cancels a class or program, a refund will be issued. If a student cancels a class, it must be done prior to the class registration deadline. You will be issued a cancellation code to verify your cancellation. Allow up to four weeks for processing of your refund.

If a student attends and then withdraws from a class, a written notification requesting withdrawal and providing an explanation must be sent to CLL director Ron Finnigan at rfinnigan@ben.edu within 48 hours after the start of the class. Those students will be issued a credit, minus a $15 administration charge, to be used on any CLL class. Additional class fees and special fees are nonrefundable.

**Class Schedule Changes**
The CLL office communicates class additions, deletions and changes to our students via email. Please make sure we have your correct email address and check it regularly for updates.

**Special fees**
Special fees (for materials, tools, tours, etc.) will be listed in all class information descriptions. These are in addition to the class fee and are the responsibility of the student.

**Class Attendance**
You must be registered for all the classes you attend. This includes attending a different section of a class. Please respect your fellow students and instructors by not attending classes for which you are not registered. Attendance sign-in sheets and instructor checkoffs are designed to prevent “sitting-in” and disrupting a class.

**Photographs/Videos**
While participating in our various classes and programs, you may be photographed or videotaped. These images may be used in a variety of publications and advertising materials. By registering for our classes and programs, you consent to the use of these photographs and videotapes.

**Parking at the Moser Center**
Ample parking is available at Benedictine University’s Moser Center. Parking is free and conveniently located near the classrooms. Handicap parking is available.
