Students must complete the requirements set forth in the catalog under the heading for the selected major. When a major is selected, the requirements of the catalog of entry apply and the corresponding checklist should be followed. Only courses in which a student has received a "C" or better may be applied to the major requirement. A major field of study requires at least 36 semester credit hours of which a minimum of 24 semester credit hours must be completed at the 200 level or above, and at least 9 semester credit hours must be at the 300 level or above.
