<u>Core Categories</u>	<u>Hours</u>	<u>Suggestions</u>
Communications	9	Take COM 101, 102 and 103

Mathematics	3	It is strongly suggested that students going into majors requiring more than core math complete at least one transferable math course prior to transfer.

The remaining two courses are to be chosen from Communications, Art, Music, Foreign Language, History, Literature, Philosophy, Religion, and Humanities.
Science*	9	Courses need to be taken from both Life and Physical Science disciplines
Social Science*	9	Take Psychology or Sociology, Anthropology or Political Science, and Economics or Business

* **It is suggested that IAI General Education courses be selected to fulfill these areas. Moraine Valley Community College IAI General Education courses are listed in bold.** If you are following the IAI complete program for your AA/AS, you need to see your Moraine Valley Community College advisor.

** The general education core requirements may vary depending on the major selected. A core category cannot be fulfilled by more than 6 semester hours of the same subject. At least 9 semester hours must be completed outside the student's major program area for each divisional core requirement.
