

## Technique #2: The Library of Congress Online Catalog

Another excellent resource is the extensive **Library of Congress online catalog** ([catalog.loc.gov](http://catalog.loc.gov)).

In this example we are going to look for search terms that relate to this topic:

**In recent months the airline industry has had to deal with the problem of how to deal with passengers who have been exposed to a drug resistant form of tuberculosis.**

Go to the **Library of Congress online catalog** ([catalog.loc.gov](http://catalog.loc.gov)).

Select **Guided Search**

The Library of Congress LIBRARY OF CONGRESS ONLINE CATALOG

About Displaying and Searching Using Non-Roman Characters  
Frequently Asked Questions - Help, Table of Contents - What's New

**Basic Search**  
Using a fill-in box, search by:

- Title or Author/Creator
- Subject
- Call number
- LCCN, ISSN, or ISBN
- Keywords

Note: Search limits are available only for title and keyword searches.

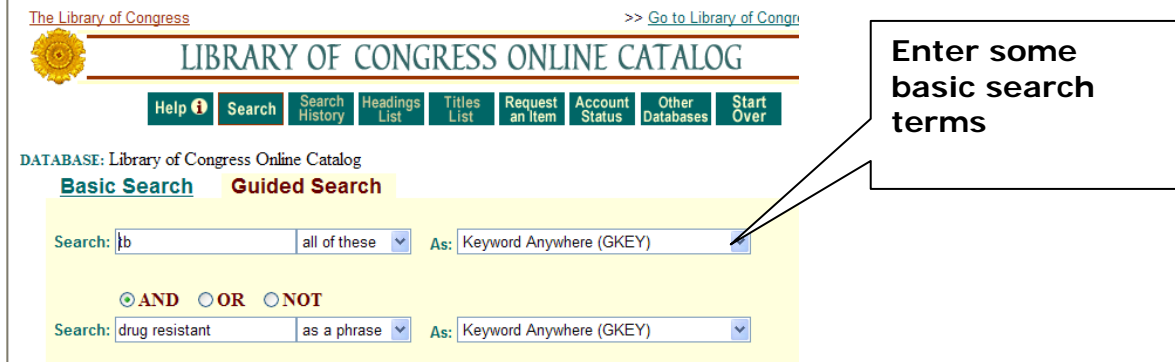

**Guided Search**  
Using a series of forms and menus:

- Construct keyword searches
- Restrict all or part of the search to a particular index
- Combine search words or phrases with Boolean operators

Note: Search limits are available for all searches.

## The library catalog was not able to find any matches to your search.

You can **try again** after you:

- Check your spelling
- Remove the words "a," "an," "the," or their equivalents in other languages
- Clear search limits

Or you can:

- Try a different type of search, such as an Advanced Search
- Try your search in larger database: **Repeat search in the I-Share catalog?**

If the item isn't available in the Benedictine Library, **Repeat the search in the I-Share catalog** to borrow it from another Illinois academic library.

Your session will expire in [ ]
