**Borrower Confidentiality**

In accordance with Illinois law, all library records relating to an individual user and his/her use of the library and its resources are confidential. These records may be consulted and used by library staff in the course of library operations. Records will not be disclosed to others except: upon the request or consent of the library user, pursuant to subpoena, court order or otherwise as required by law. Such disclosure may be made only by the University Librarian in consultation with appropriate University authorities.

**Recalls**

When an item is requested (or recalled) by another individual, the patron who currently has the item checked out will be emailed or mailed a recall notice.

**Damaged Materials**

There will be no charge for normal wear and tear on any item.

If an item is damaged by a patron so that further circulation is impossible, the patron will be charged the full replacement price of the item as well as an additional processing fee. The user responsible for the damage will have his/her library privileges suspended. Legal action may be taken if the damage is extensive.

The campus operational manager will determine the charge for damage that can be repaired or that does not render the item unusable.

Damage to material will be assumed to be accidental unless there is reason to believe otherwise. Patrons found defacing or destroying library materials shall be required to pay for a replacement copy.

**Claimed Returned Items**

If a user receives a notice for a Benedictine University item that he or she believes has been returned, the user must notify the Library as soon as possible. Once notified, the Library will search for the item three times within sixty days. If an item is not found during this period, the patron will be held responsible for the lost item charges. Please see Library Fines and Fees Policy for additional information.
