

# DISCOVERY BOX LOAN PROGRAM

With more than 40 different Discovery Boxes to choose from, you can find the perfect educational kit for your needs. These free kits are great for classroom use, and are also available for nature centers, scout groups, nature clubs, child care centers, home schoolers, historical societies, or other groups seeking to learn more about our world's natural and cultural diversity. Boxes include educational materials, specimens, videos, books, and activities.
