Happy Holidays

University Police wish all students, their families and all employees a happy holiday season.

Give the gift of health and safety to yourself and others by following these holiday tips.

When setting up a tree at home, place it away from fireplaces, radiators or portable heaters. Place the tree out of the way of traffic and do not block doorways.

If purchasing an artificial tree, look for the label “Fire Resistant.”

Check all tree lights event if you’ve just purchased them before hanging them on your tree. Make sure all the bulbs work and that there are no frayed wires, broken sockets or loose connections.

Plug all outdoor electric decorations into circuits with ground fault circuit interrupters to avoid potential shocks.

Never use lighted candles on a tree or near other evergreens. Always use non-flammable holders, and place candles where they will not be knocked over.

Memorial Tree

Benedictine University Police Department has set up a Memorial Tree in the Kindlon Atrium to honor all the fallen police men and women in the year 2014. The tree is adorned with the officer’s photo and synopsis of their death in the line of duty. Some gave all this year to protect civil freedoms and justice. Don’t forget them.
