Happy Holidays

Study hard, get good grades, then……
Relax and enjoy the holidays with family and friends.

University Police wish all students, their families and all employees a happy holiday season.

Give the gift of health and safety to yourself and others by following these holiday tips.

When setting up a tree at home, place it away from fireplaces, radiators or portable heaters. Place the tree out of the way of traffic and do not block doorways.

If purchasing an artificial tree, look for the label “Fire Resistant.”

Check all tree lights event if you’ve just purchased them before hanging them on your tree. Make sure all the bulbs work and that there are no frayed wires, broken sockets or loose connections.

Plug all outdoor electric decorations into circuits with ground fault circuit interrupters to avoid potential shocks.

Never use lighted candles on a tree or near other evergreens. Always use non-flammable holders, and place candles where they will not be knocked over.

DISTRACTED DRIVING, A NO-NO….

Think before you drive…. Too many distractions can be deadly and unforgiving!
All of it, CAN WAIT!

SNOW SEASON IS COMING…

Remember when it snows two inches, you must move your vehicle into the parking garage or the Krasa center lot overnight, so Campus Services can plow campus lots (Nov. 15 – Apr. 15). Violators are subject to citation and towing.
