THE HARDEST THING ABOUT GETTING AN EDUCATION... IS FINDING A PARKING SPACE!

Make sure you always park in a designated parking space in a lot that is assigned to your designation as a student, employee or guest. The Parking Garage and Krasa lots are open to all parkers. There is no overnight parking in the Garage.

Don’t block Fire Hydrants for this reason!

NATIONAL PREPAREDNESS MONTH

Would you be ready if there were an emergency? Be prepared: assemble an emergency supply kit, make your emergency plans, stay informed, and get involved in helping your family, your business, and your community be ready for emergencies.

Being prepared means staying informed. Check all types of media – Web sites, newspapers, radio, TV, mobile and land phones – for global, national and local information.
