## Public Safety

October Issue 2

### *Work Shops...*

BU Public Safety has created the following workshops for the University Community.

- Personal Safety in the workplace.
- Dormitory Safety/Security
- Crime Prevention
- Self Defense

Should any of these peak your interest, please contact Sgt. Creekmore in Public Safety at extension 1104.

### *Public Safety Contact*

**Emergency – 6666**  
Non Emergency – 6122  
Sergeant's Office – 6661

Have Fun!  
Be Smart...Be Safe!

### *Student Interaction...*

**QUAD DAYS...** BU Police were on scene to introduce ourselves to the campus community. BU Police Officers, Sgt. Paul Creekmore and Officer Sharon Rizzi brought the University's primary police vehicle, a 2005 Ford Explorer into the quad for the community to see the equipment we carry.

This allowed students to become familiar with its appearance and also turned it into a beacon for students to notice the new University Police.

**KRASA EXPERIENCE...** BU Police were on hand in the Public Safety office to greet students who came in for their passport stamps during the KRASA Experience. Public Safety gave away pamphlets on responsible use of alcohol and fire safety. Public Safety also gave away alcohol safety calculators which inform motorists if they are legally intoxicated and can't drive.

### *Noise Complaints...*

The Department of Public Safety has received numerous noise complaints (loud music) at various locations at the Residence Halls and Founders Woods.

BU Police are asking for students to please be respectful of your neighbors. University Police will forward complaints of repeat violators to Residence Life, for appropriate action.

### *Student Escort Service...*

Escorting Students/staff/faculty has become second nature to Public Safety. Community members have been taking advantage of a great **Safety Service** during the late hours of the night. Students and staff who are still on campus, at that time, have said, **"We are glad Public Safety can escort us from point A to point B on campus. It makes us feel safer."**

## ***Parking and Traffic Enforcement***

### **STOP SIGNS!!!**

University Police have stopped over (50) motorists for stop sign violations on campus. BU Public Safety up to this point has been issuing warnings. University Police will no longer issue warnings for stop sign violators.

Stop sign violators create great safety risks to the motoring public and pedestrians on campus.

Remember to come to a COMPLETE STOP. DO NOT ROLL through a stop sign or DISREGARD it.

### **Parking Permits**

FYI – Gentle Reminder... *Students, Faculty/Staff are required to have and display Benedictine Parking Permits* on the back of your rearview mirror while on University property.
