

Memorial Mass Policy

Memorial Mass:

When asked, Campus Ministry will host University Memorial Mass for a deceased member of the Benedictine University community close to the date of person's death. The University Memorial Mass is different from a parish. This Mass will be one of the noon weekday Masses we have. Our noon masses do not have music. The Celebrant may offer to say a few words about the deceased. In addition, a member of the community or a family member may also say a few words about the deceased at the end of Mass. If more people would like to share memories and have photos displayed, that can more appropriately be done during a reception after Mass. The Campus Ministry office staff can send an email to the community to invite them to come to the noon Mass and let them know it is a Memorial Mass. Customary donation for this as set by the Diocese of Joliet is \$10.00 and can be dropped off in the Campus Ministry Office.

Mass Intentions:

Any one at any time may ask that a Mass be offered for a particular intention. The Mass will be one of the regularly scheduled noon Masses, and the special intention will be announced at the beginning of Mass. The Campus Ministry Office can send an email to the community informing them that the noon Mass will be offered for the particular intention. Customary donation for this as set by the Diocese of Joliet is \$10.00 and can be dropped off in the Campus Ministry Office.
