

June 2019

Dear Classmates,

Our **50th St. Procopius College Class Reunion is just a few months away.** Let's all plan to attend this once-in-a-lifetime opportunity on **October 11 - 13.** We hope to have you and as many of your classmates back as possible to celebrate, reminisce, and to view the many changes on campus since our time at Proco.

Registration and Class Bio Booklet

If you are planning to attend and have not registered, please do so by completing & returning the enclosed forms or register online at ben.edu/goldeneagles. This website includes other useful information about our Reunion. The Benedictine alumni staff will create a biographical booklet for our class so please submit your bio form regardless of your attendance. For the Athletics Breakfast and the Class Dinner on Saturday, please make checks payable to Benedictine University.

Class Gift

During this milestone reunion, we reflect on what St. Procopius College did for us and we hope that we may show our gratitude by benefiting current and future students. We are endorsing a class gift with voluntary contributions. The University will appreciate anything they may receive and you can direct your gifts as you wish. We have enclosed a gift form and a return envelope. If you have questions about giving, please contact Eric Solberg, Senior Development Officer at (630) 829-6497 or esolberg@ben.edu. Thank you for considering a gift to support Benedictine students.

Dr. Joe Siebert and Steve Kubasek

On a final note, our classmate and committee member, Dr. Joe Siebert, passed away in May. Joe humbly served many throughout his life, including volunteering his time for over three decades as the campus physician at Benedictine University. Steve left us on June 9th in his hometown of Yonkers, NY. He gave his time to his community by serving as a scoutmaster and city councilman for many years. We will remember both men and all of our fallen classmates at Reunion this fall.

Enjoy a relaxing summer and hope to see you this fall.
