In cases of excessive disruption, dangerous, or inappropriate behavior, a camper can be permanently dismissed from the camp. Step Three: The Camp Director/Assistant will be informed and the child will be required to talk to the director/assistant about the situation and the parents/guardian will be told at pick-up. Parents are expected to discuss the inappropriate behavior with their child and to work with the Spring Break Day Camp staff to stop the misbehaviors.

Depending on the seriousness of the behavior, "time-outs" may be given immediately as determined by the staff. If the director/assistant decides it is necessary to remove a child from the program, the above steps may be bi-passed and his/her parent will be called to pick up their child immediately.
