

M.S. in Integrative Physiology Fast Track Program for Benedictine Master's Students

Marian University's College of Osteopathic Medicine (MU-COM) has announced a program that will give Benedictine Master's students opportunities for **early acceptance** into, or a **guaranteed interview** with, MU-COM.

"The Master's degree program is an innovative incentive for students who are interested in medical school and select Benedictine for their Master's studies."

- Donald Sefcik, DO, MBA, Dean, College of Osteopathic Medicine

Three spots will be reserved for Benedictine Master's students each year. Students will have two options toward acceptance:
