		Major Specialization Courses (Choose one)		
	ACCT 3309	Accounting Info Systems Lab	3	
	ACCT 3312	Federal Taxation	3	
	ACCT 3316	Accounting Research	3	

Major Requirement Notes | All major coursework (whether taken at BenU or transferred from another institution) must be completed with a "C" or better.

Accounting Majors who elect to earn a second major in the Department of Undergraduate Business must complete unique "specialization courses" for the second business major. Specialization courses may only be used for satisfying the requirements for one business major. In the event that a specialization course is required for two majors, the student's academic advisor will identify an additional specialization course.

For BenU courses: Students with approved transfer coursework from four year institutions may require additional electives to meet program requirements.

An Ethics course must be taken.

Program Requirement Notes | Students may be required to complete additional electives as part of their transfer degree requirements, degree completion and program agreement. Students may need to show proof of completion through degree conferral per program agreements. All students will need to fulfill the minimum requirement of 120 semester credit hours for this degree.

Concentrations Available | Grade of "C" or better required

	COURSE		CR	GR
		Business Analytics		
	BALT 3310	Vis Tech and Dashboarding	3
