Minors are optional, but recommended. Please see the Benedictine University Undergraduate Catalog and the department for specific requirements.

Residency Requirements

Please note the checked boxes that apply to you:

- A minimum total of 120 semester credit hours are required for graduation (with a minimum cumulative GPA of 2.000 from Benedictine University).
- A minimum of 54 semester credit hours at the baccalaureate level must be completed at a four-year regionally accredited college/university.
- At least 12 semester credit hours at the 200 level or above in the major field must be from Benedictine University.
- At least 30 semester credit hours must be completed at Benedictine University.

Special Notes

1. This checklist is applicable for the major indicated. If a different major is chosen, the requirements for the major, modes and semester credit hours remaining will vary.
2. This checklist is for advising purposes. Students must follow the requirements for graduation as outlined in the University Undergraduate Catalog at their term of entry.
3. Semester credit hours in progress are not included in the totals of this evaluation. Additional semester credit hours will be credited upon receipt of credentials.
4. Courses must have a grade of "C" or better to be accepted in the Basic Skills and the major or minor area. A grade of "D" or better is required in all other areas, except where program requirements specify otherwise.
5. Duplicate semester credit hours will not be given for repeated courses.
6. Courses taken at Benedictine University may be repeated only at Benedictine University. Please see the catalog for the Course Repeat Policy.
7. Only courses taken at Benedictine University will be included in your GPA.
8. An Approval of Transfer Courses form must be completed for current Benedictine students to transfer courses from other schools. Students with junior or senior standing (60 or more semester credit hours earned) will not be eligible to transfer community college course credit back to Benedictine University once they become a student of record. Credit from accredited four-year institutions is not affected, nor is coursework required by special agreements such as 2+2 or 2+3 programs.
