

Congratulations, and welcome to Benedictine University!

The Office of Financial Aid is pleased to provide the following information about your financial aid eligibility for the award year. Your financial aid offer notification lists the type(s) of assistance and total amount of funding you are eligible to receive for the award year. Review this information and your financial aid offer notification carefully. Be sure to regularly check your Benedictine email account for important messages from the Office of Financial Aid.

Your financial aid award is based on the anticipation that you will be continuously enrolled according to the course schedule outlined for your cohort. If you alter the pattern of your enrollment or decide to withdraw from a class, it is your responsibility to notify both your academic advisor and the Office of Financial Aid.

Cost of Attendance

On your Financial Aid Offer notification, you will see a section labeled Estimated Cost of Attendance (COA). Estimated Cost of Attendance includes averages of direct and indirect expenses for an academic year. The University uses estimated costs along with the information received from your FAFSA to determine your eligibility for federal student loan programs.

Direct costs are tuition and student service fees which are charged directly by Benedictine. These expenses will appear on your student account invoice.

Indirect costs such as books and supplies, off-campus housing, transportation, and personal expenses have been estimated based on average living expenses for the Chicagoland area. Indirect costs are not payable to Benedictine and will not appear on your student account invoice.

Financial Aid Programs

The **Federal Direct Unsubsidized Loan** is a low interest loan with a fixed interest rate for the life of the loan. These loans are not based on financial need. You are responsible for paying the interest from the date the loan is disbursed; however, you may choose to defer these payments while you are enrolled at least half-time in an eligible degree-seeking program. Keep in mind that a mandatory loan origination fee will be deducted from each loan disbursement.

The **Federal Direct Graduate PLUS Loan** program is a credit-based loan with a fixed interest rate available to approved graduate students. If approved, graduate students may borrow up to their cost of attendance minus any other financial aid resources. You are responsible for paying the interest from the date the loan is disbursed; however, you may choose to defer these payments while you are in school. Keep in mind that a mandatory loan origination fee will be deducted from each loan disbursement.

It is recommended that students first borrow their full eligibility of the Federal Direct Unsubsidized Loan before applying for the Federal Direct Graduate PLUS loan.

Federal Direct loans are placed in an offered status and require the student to take additional steps for those loan funds to be disbursed. If you are a first-time Federal Direct Unsubsidized Loan borrower at Benedictine, you must complete the following:

-
- Complete a [Master Promissory Note \(MPN\)](#)
 - Complete [Loan Entrance Counseling](#)

If you are planning on borrowing on a Federal Direct Graduate PLUS at Benedictine, you must complete the following:

- [Graduate PLUS Loan Request](#) – The PLUS Request gives authorization for a credit check and allows the student to indicate the requested loan amount. This application must be completed for each aid year you wish to receive a Federal Graduate PLUS loan funds.
- [Federal Direct Graduate PLUS MPN](#)
- [Federal Graduate PLUS Loan Entrance Counseling](#)

Policy

Our office is required to abide by the regulations set by the U.S. Department of Education, and as such our policies and procedures are subject to change in order to maintain compliance with federal regulations. Effective June 1, 2018, Doctoral students who are enrolled in courses past the proscribed three-year cohort schedule are not eligible for further federal aid.

Students who continue to be registered in dissertation continuation courses for credit are reported as enrolled and billed directly for these courses. Students may seek alternative loans from private lenders to finance this portion of their work. Different lenders have different enrollment requirements, so we encourage all students to get as much information as possible before applying. A Loan Comparison Tool is available to assist in your search, [click here](#).

Enrollment Requirements

You must be enrolled in a degree-seeking program to be eligible for federal direct student loans. Your financial aid award is based on the anticipation that you will be continuously enrolled as your course schedule is stated for your cohort.

Financial Aid's enrollment definitions differ from the Registrar's standards as outlined below. Financial aid is used to determine loan eligibility, deferments, and veterans' education benefits certification. The Registrar standard is used for all other reporting.

Enrollment Status	Financial Aid	Registrar
Half-time	4 quarter hours	4.5 quarter hours
Full-time	8 quarter hours	9 quarter hours

Disbursement of loan funds

Your federal student loan(s) will post to your student account following the add/drop period for each term, as long you have a valid MPN and Entrance Counseling on file with the federal government. You may review your account activity by accessing [MyBenU](#).

All loan proceeds are disbursed via Electronic Funds Transfer (EFT) in two equal disbursements over your award year. The first disbursement is released at the beginning of the award year and the second disbursement is released upon successful completion of half the credits and weeks of your award year. A notification of each disbursement will be sent to your BenU email address. Funds will be held from each disbursement to cover the cost of tuition and student services fees for 6 months.

Example of Loan Disbursements for Doctoral Program

Financial Aid Offer	1 st Half of the Academic Year		Midpoint of the Academic Year		Total
Federal Direct Unsubsidized Loan	\$10,250	Funds held from 1 st disbursement if necessary to cover tuition, otherwise refunded	\$10,250	Funds held from 1 st disbursement if necessary to cover tuition, otherwise refunded	\$20,500
Federal Direct PLUS Loan	\$5,000	Funds held from 1 st disbursement if necessary to cover tuition, otherwise refunded	\$5,000	Funds held from 2 nd disbursement if necessary to cover tuition, otherwise refunded	\$10,000 -- student may borrow up to cost of attendance

All Federal Direct loans are subject to a mandatory origination fee. The fee will be deducted from the amount you are borrowing before each disbursement is credited to your account.

- If you withdraw from class or are out of attendance for more than 30 calendar days, loan funds will be returned to the federal government and all subsequent disbursements will be cancelled.
- If you receive a refund check prior to withdrawing from class, an adjustment may be made to your loan. This may result in a balance on your student account, preventing you from registering for your next course.
- Federal Loans only cover a class the first time it is taken. If a class needs to be repeated, Financial Aid cannot cover the repeated course. You will need to pay for it out of pocket or make alternate payment arrangements with the Business Office.

Financial Aid Communication

Review your Benedictine email account for important messages and updates from the Office of Financial Aid. All communication regarding your financial aid should be sent from your Benedictine University email and include your student ID number.

Student Accounts Information

The Business Office will bill your tuition after you enroll in classes for any given term. You can view your charges online through your [MyBenU](#) account. Current tuition rates are available at [Tuition and Fees](#).

If your loan disbursement is in excess of your charges, the Business Office will process your refund. All students must select how they would like to receive their refund via [Refund Selection](#). This process takes 10 to 14 days **after** your loan disbursement. For more information about refunds, please visit [Frequently Asked Questions](#).

If your charges exceed your financial aid eligibility, or you choose not to use financial aid, the Business Office offers various payment options. You can review these options at [Payment Options](#).

Loan Deferment

If you have previous student loans and are currently enrolled in an eligible degree-seeking program, you may be eligible to enter deferment. Deferment allows you to temporarily postpone your student loan payments for a certain period of time. Deferment eligibility depends on the date your student loan was first disbursed. Your current enrollment is updated with the National Student Loan Clearinghouse after the start of each term. You can check to see if your loans have been deferred at [NSLDS Student Access](#). Continue to make student loan payments until your loans are listed as deferred.

Satisfactory Academic Progress

The Office of Financial Aid will review your academic progress at the end of each disbursement of funds to determine if you are meeting the academic progress standards for continued financial aid eligibility. You may review the Satisfactory Academic Progress policy by visiting [Satisfactory Academic Progress Policy](#).
