**Major Specific/Requirement Notes** | All major coursework (whether taken at BenU or transferred from another institution) must be completed with a C or better.

Management and Organizational Behavior Majors who elect to earn a second major in the Department of Undergraduate Business must complete unique "specialization courses" for the second business major. Specialization courses may only be used for satisfying the requirements for one business major. In the event that a specialization course is required for two majors, the student's academic advisor will identify an additional specialization course.

For BenU courses: Students with approved transfer coursework from four year institutions may require additional electives to meet program requirements

An ethics course must be taken.

A concentration is required, see Page 2.
